LEADERSHIP**

METL AND COSN

GOALS

- Advocate for the development of leadership skills for educational technology leaders.
- Provide technology education for school leaders throughout the state.
- Ensure that educational technology is fully integrated into the educational process and becomes a crucial element of classroom instruction throughout the state.

BENEFITS

- Access to professional development opportunities
- Professional certification
- Member-only discounts on CoSN products and services, including Webinars, regional CTO Clinics and publications
- Networking opportunities with peers
- Vital representation at the state and federal levels
- Complimentary EdTEchNext Reports, the annual Compendium, the CoSN Bulletin e-newsletter and Washington Update
- Access to essential resources for members only

In June of 2011, Missouri Educational Technology Leaders (METL) became the 13th state chapter of the Consortium for School Networking (CoSN). Founded in 1992, CoSN is the premier professional association for school district technology leaders. CoSN is committed to providing the leadership, community and advocacy tools essential for the success of these leaders. CoSN provides for the development of state chapters to better meet the needs of school district CTOs. As a member of METL, you are also a member of CoSN and entitled to resources that include professional development opportunities, webinars, and CoSN publications such as EdTechNext Reports, annual Compendium, and the Washington Update Bulletin e-newsletter.
